NTNU Partner

LaTeX-Beamer Style for NTNU

Demo of the `horizontal` style including a partner logo

Author Name

December 3, 2021

A slide in `horizontal` style including a partner logo

This style is set up with

`\usetheme[slogan=norsk, style=horizontal, partner=true]{NTNU}`

and the logos of the collaboration partners are set with

`\partnerlogos{ntnu_partner.png}{ntnu_partner_neg.png}`

The `horizontal` style displays the second logo of the collaboration partner (`ntnu_partner_neg.png`, preferable white/light colors) in the footer while the first logo (`ntnu_partner.png`) is placed above the title (see previous slide).
